

The MTO Fellows Program has three goals: (i) to assist with law school applications and LSAT preparation; (ii) to provide programming designed to build a foundation of knowledge concerning admission to and success in law school; and (iii) to establish a strong and broad network of professionals, mentors and peers that can serve as resources throughout Fellows' careers. The MTO Fellows Program will include:

- A monthly Saturday meeting, hosted at Munger, Tolles & Olson's downtown Los Angeles offices, that provides information and workshops on topics pertinent to the law school admissions process and success in law school;
- An intensive, customized LSAT preparation course taught by TestMasters exclusively for MTO Fellows that will run during the summer months leading up to the October 2015 LSAT exam; and
- Receptions near the beginning and end of the program to bring together past and current Fellows, Munger Tolles attorneys and a broad network of partners.

The course will run for a full year starting in March 2015 and ending February 2016. This allows sufficient time to advise Fellows in completing their applications by November 15, 2015 to start law school in Fall 2016.
